

Dear Customer,

Re: M54 Junction 5 to 3 maintenance work

I'm writing to inform you of some upcoming maintenance work on the M54, near Telford. This work will be carried out on our behalf by our contractor, Kier.

What we're doing and why? What are the benefits?

We'll be carrying out maintenance work to the M54 eastbound between junctions 5 to 3. Our work will include the renewal of road markings and road studs. The completed work will ultimately provide a safer road for our customers.

When will this work take place?

We'll work from **20 September 2021 to 09 October 2021**. We'll carry out our works overnight, Monday to Friday between 9pm and 6am.

What does this mean for you

Access to and from frontages that fall directly within our closure will be maintained throughout. During full carriageway closures, we'll provide a fully signed diversion route. Please see the reverse of this page for further details. Emergency vehicles will have access throughout. Our planned road work may be subject to change due to weather conditions or unforeseen circumstances.

Traffic wishing to join the M54 Eastbound at junction 5 will be instructed to:

- Join the A5 heading northbound towards Telford way
- Traffic will continue on the A5 Eastbound to Burlington Cottages roundabout
- Exit the A5 at Burlington Cottages roundabout taking the third exit onto the A41
- Continue on the A41 heading southbound returning back to the M54 Junction 3 roundabout to continue journey

I'd like to apologise in advance for any inconvenience or disruption to those living close to the work. We'll make every effort to carefully manage noise levels and additional lighting to minimise the impact.
