

**Shifnal Town Council**

# **P R E S S   R E L E A S E**

Shifnal Town Council are pleased to announce that a contract has been awarded to Blakedown Sport & Play to construct a new Multi Use Games Area (MUGA) at Wheatfield Park, Shifnal.

The new MUGA will be a free facility for the town to enjoy. It will be able to be used for football, basketball and other sporting games. A new pathway will be constructed as part of the project, to allow access for all, along with seating and cycle racks to enhance the MUGA and park area.

The Blakedown Group has been established for over 50 years and prides itself by employing the majority of its own direct labour. This not only allows them to work with Shifnal Town Council on any tight schedules but guarantees a top-quality professional installation.

Construction work is due to commence in September and the new MUGA should be completed within 5 weeks.

Cllr Paul Williamson, Mayor of Shifnal said “The council has worked hard over several months to get this wonderful recreational facility to the point of construction. It will be an enormous asset to the town and I am certain will provide endless enjoyment to residents of all ages.”
