

## **REPORT OF PLANNING COMMITTEE TO COUNCIL 22.9.20**

1.1 The Planning Committee have agreed a draft response to Shropshire Council's Draft Pre Submission Consultation on the Local Plan Review for consideration by Council. The draft response is attached to the agenda.

1.2 A suggestion was made at the Committee meeting, that an additional paragraph be added in the Shifnal Safeguarded Land section recommending that part of Parcel P11 shown on the Green Belt Assessment Review (land east of Coppice Green Lane) be recommended for inclusion as Safeguarded Land as an alternative to the Parcel P16/part P17a (land south and west of Shifnal) proposed in the draft Plan. These parcels are shown on the Plan attached to the agenda. The Committee agreed to put this suggestion to Council for decision.

1.3 The Planning Committee RECOMMEND that the draft response be approved subject to any amendments agreed by Council at the meeting and subject to Council's decision on Safeguarded Land set out above.
